Wakefield Matmen Hit By Sickness

Washington-Lee High School's wrestling team has a trip to Woodberry Forest on schedule for Wednesday but a sudden turn of bad luck has Coach Norman Propst rubbing his chin over the whole affair.

As of last evening Propst had such dependables as Phil Gilbert, Dusty Silver, Will Heron and Curley Hobbs on the sick list. The Generals had four others missing from practice although they are not officially classified as sick.

After having a full strength squad for last Friday's successful encounter with Suitland High School Coach Propst was surprised to find himself in such sad shape yesterday but he plans to go ahead with Wednesday's match if he can come up with enough boys to face the down state school.
